Sub: Growth Path of the Company

Dear Shareholders,

I am proud to announce that Jauss Polymer Ltd is doing extremely well in terms of production, sales and bottom lines. Jauss is moving to a new state of the art facility by July 2016 which will be rented from its parent company ITPL, which would be built on international food safety standards and approved by all norms of US FDA and other quality certifying agencies like BRCS, SEDEX etc.

We wish to inform all our shareholders that the company is on a growth path and is adding new customers/clients to its profile (all FMCG companies) including Wipro, SE Johnson etc who are expanding and also supplying to the upcoming company Pathanjali Ayurved. We thought it is prudent to inform to all our shareholders that the company is on a growth path and doing extremely well.

We thank you for your valued support, belief and having invested in our company. We wish the management of Jauss Polymer Ltd and I also would like to wish all the Shareholders families A Very Happy New Year and God Bless you all.

Best Regards

K S Rao

Chairman & Managing Director
